Healthy food is presented as a genuine point of difference rather than a passing claim.
Its dedicated **Healthy Meals** page explains that:

- Morning tea, lunch and afternoon tea are prepared fresh onsite by an in-house cook.
- Menus change seasonally.
- Vegetables from the children's working garden are incorporated when available.
- Children participate in growing and harvesting produce.
- Allergies, intolerances and cultural or dietary preferences are catered for individually.
- Meals are included in the daily fee.  Creative Minds

A few Henderson-area centres stand out for their food focus:

Barnardos Henderson Early Learning Centre – nut-free, allergy-accommodating, with a strong emphasis on nutritious, balanced daily menus.

Rātā Educare Waitākere – meals cooked onsite daily by an in-house cook, heavy on fresh fruit and veg.

Creative Minds Childcare Centre (Henderson) – cooks fresh onsite, uses vegetables from their own garden.

Co Kids Corner (Lincoln Rd, Henderson) – sugar-free, onsite-cooked meals, strong wellbeing focus.

Also worth a look: **Little Moa's Early Learning Centre** and **Merryland Childcare Centre**, both of which have dedicated nutrition pages on their sites detailing their meal programmes.
