

Terms and conditions — \$200 designer rebate

The offer

Rocketspark is offering a \$200 prepaid card to eligible domain customers who get their website built by a Rocketspark partner designer during the promotional period. The rebate goes some way toward the upfront cost of having a designer build your website.

Who's eligible

To qualify, you need to:

1. Be an existing Rocketspark domain customer who hasn't yet started a paid Rocketspark website subscription.
2. Register your interest using the form on this page before **15 May 2026**.
3. Be working with your partner designer on a website build of \$2,000 or more (excluding GST). The rebate is intended for professional designer-led builds.
4. Get connected with a Rocketspark partner designer through Rocketspark's referral process.
5. Have your website built by that partner designer and go live on a paid Rocketspark website subscription.

This offer is limited to one rebate per business. The rebate is non-transferable and cannot be exchanged for cash or credit toward your Rocketspark subscription.

How the rebate is paid

Once your website is live and your partner designer's invoices have been settled in full, Rocketspark will send you a \$200 prepaid card. You're free to spend it however you like, it isn't restricted to Rocketspark services.

When you'll receive it

We aim to send your prepaid card within 30 days of your website going live, provided your designer has confirmed their work is complete and paid for.

Combining with other offers

This rebate cannot be combined with any other promotional Rocketspark offers, discounts, or designer commission arrangements unless explicitly agreed in writing.

Designer relationship

The rebate is a promotion from Rocketspark to you. It does not affect the quote or services your partner designer provides, and it isn't a substitute for paying your designer for their work. You are responsible for all fees agreed with your partner designer.

Changes and withdrawal

Rocketspark may modify or withdraw this offer at any time before you've registered. Anyone who has already registered before a change is announced will be honoured under the original terms.

Questions

If anything's unclear, just email support@rocketspark.com and we'll talk you through it.
